CSMOA - Festive Update

Although the inaugural newsletter was issued only a few weeks ago, progress at CSMOA is running at pace. We therefore thought it apt to issue an impromptu festive communication and take the opportunity of further updates for prospective CSMOA members.

CSMOA wishes all potential members & their families a Safe & Merry Xmas & a cricket filled Prosperous New Year

Committee Vacancies

It is with regret that Russell Brown has tendered his resignation from the role of Treasurer on the Management Committee. CSMOA would like to thank Russell for his endeavours within the role during inception.

We are therefore looking to recruit for both the Treasurer and Assistant Treasurers role with immediate effect.

Therefore if any potential members consider themselves suitable for either positions and would welcome the challenge of supporting CSMOA, please submit your interest to secretary@csmoa.org.uk

Regional & International Update

As you are very well aware, we didn't get much cricket in 2020, very little at Regional level and nothing at all in the International arena, so looking forward to 2021, the Regional Panel will comprise of Andy Baird, Alex Dowdalls, Ronnie Gilliland, Allan Haggio, Ian Marland, Iain McDonald, David McLean, Ryan Milne, Gary Nichol, Peter Redhead, & Eric Young.

From the above, Alex Dowdalls, Allan Haggio and David McLean will be the CS recommendations for the 2021 ICC International Panel of Development Umpires, meaning no change from this year. Ryan Milne has been selected to be on stand-by for ICC.

Neil Davidson, Billy McPate and Steve Scott successfully completed assessor training early this year and they have all been retained on the Regional Assessors Panel for next year. However, all three will undergo further training in quarter one of next year as the first step towards becoming Match Referees. **Ian Ramage—International & Regional Umpires Manager**

CSMOA Sponsorship

Great news... CSMOA have secured a sponsorship deal with Supermax UK. Ian Crawford, MD of Supermax has confirmed a transfer of his previous agreement with ESCOA over to CSMOA. Willie Ferguson comments ' Aurelia will sponsor the Association's white kit, whilst Aveo will sponsor our coloured kit'

Well done Willie, great news for the new Association. Special mention also to Matt Crawford for the initial introduction.

Membership Fees; Umpire - £25.00, Observers - £25.00, Assessors - £25.00, Referees - £25.00, Scorers - £10.00

Digital Media Update

As mentioned in the last communication, as a result of the sterling work by our Assistant Secretary, Craig MacDonell, we now have a live functional website for our potential membership. The website will be an invaluable tool for our members, providing a home for match day information including links to the appointments from WTU, playing conditions for all competitions, photo galleries, roll of honor, ground locations etc. Another great piece of work in a short time period, please continue to visit and familiarise yourselves with the functions. www.csmoa.org.uk

Social media channels are also now live.
