## 1. MANAGEMENT & ADMINISTRATION

- a. The Saturday League ("the League") is arranged by and played under the auspices of the Western District Cricket Union ("WDCU").
- b. The League shall be administered by the Cricket Management Committee ("the CMC"), which is a sub-committee of the WDCU Executive Committee and has such powers delegated to it under the WDCU Constitution.
- c. The CMC shall administer the League in accordance with the WDCU League Administration Rules herein and the WDCU Playing Conditions, Match Rules and Covid 19 guidelines/rules provided by Cricket Scotland and the Scottish Government which are published separately. The CMC shall be the sole interpreter of the Rules with the power to discipline or sanction any Club or player in breach of the Rules (including the right to deduct points) with the proviso that any decision can be subject to appeal to the WDCU Disciplinary & Appeals Committee.
- d. Exceptionally, due to the COVID 19 situation, the CMC may at their discretion add to, amend or remove any of these rules before or during the 2021 season to ensure as far as possible:
  - 1) Compliance with Scottish Government or Cricket Scotland rules, directives or guidance
  - 2) Equitable outcomes for all participating clubs as far as is reasonably practicableThis may include, but is not limited to, suspension of a competitive league, and/or promotion and relegation. "
- e. The CMC may relieve a Club or player from the consequences of a failure to comply with any provision of the Rules where that failure is shown to be due to mistake, oversight or other excusable cause. Where the CMC so relieves a Club or player from the consequences of a failure to comply with a provision of these Rules the CMC may impose any condition it thinks fit in order (i) to ensure that an equitable result is achieved, and (ii) to ensure future compliance with the Rules.
- f. Each Club shall be a fully subscribed member of WDCU prior to the start of each WDCU season.
- g. Each Club shall pay an annual subscription, which shall be set by the WDCU Executive Committee. The charge shall be payable on demand prior to the season commencing. Should the charge to any Club remain unpaid it shall be in the option of the WDCU Executive Committee to refuse such Club the right to play in any WDCU competitions including League matches until the charge is paid.

## 2. CRITERIA

All Clubs entering the League should make every effort to meet the criteria laid down by the CMC for the respective division that a participating team of a club wishes to participate in. These criteria include:

- Ground and Facilities Criteria- A number of these will be suspended for season 2021
- Club Development Criteria – A number of these will be suspended for season 2021

These are summarised in the relevant Appendices to these rules.

Youth Playing and Coaching Requirements All suspended for season although clubs are encouraged to make 'best endeavours' to continue with junior development as appropriate.

All League clubs currently playing in the Premier and First Divisions, and all clubs eligible for promotion to the First Division must operate a youth coaching and playing programme and satisfy the requirements of the above Club Development Criteria document. All suspended for the season.

The outcome of each annual review of criteria will determine which division Clubs are eligible to participate in in the following season. In addition, to be eligible to compete in the Premier and First Divisions, clubs must also field a 2<sup>nd</sup> XI competing in the WDCU Saturday League. No review to be carried out in 2021 although clubs should try to field a second team where possible.

Any Club not meeting the requirements of the division they are participating in will be automatically placed into the highest division whose criteria they now meet for the following season. [Suspended for the season](#)

### 3. COMPOSITION OF SATURDAY LEAGUE

A Team shall mean a recognised XI of a full member Club of the WDCU. The CMC shall determine the number of participant Teams in each division and on the eligibility of such Teams as entered using the criteria set by the CMC. The structure of the leagues shall be determined solely by the CMC

- a. [Promotion and relegation will be in place for season 2021. However, they will be suspended in the following circumstances:-](#)

[Where 4 or more full rounds of scheduled fixtures in each of the divisions above Division 3 are unable to be completed due to covid restrictions imposed by Cricket Scotland and/or Scottish Government. In Division 3 it is 3 or more full rounds of scheduled fixtures.](#)

[Where, in the view of the CMC, Covid restrictions imposed by Cricket Scotland and/or Scottish Government impact on one or more teams in a division such that the integrity and/or equity of the league is materially affected, even if the majority of teams and/or fixtures are unaffected.](#)

[Where, in the view of the CMC, a division is materially compromised by the inability of any team\(s\) to complete some or all of their allotted fixtures for any reason.](#)

[For the avoidance of doubt, any scheduled fixtures lost to weather will not be counted in the above considerations, unless they would not have been able to take place anyway due to Covid restrictions imposed by Cricket Scotland and/or Scottish Government.](#)

[The CMC also reserves the right to suspend or amend promotion and/or relegation in divisions not affected by the above where promotion and/or relegation from the divisions above or below are affected and the CMC believes there is a threat to the integrity of the league.](#)

- b. At the end of the season, the bottom 2 teams in each of the leagues above Division 3 will be relegated to the division below.
- c. At the end of the season, the top 2 teams in each division of the leagues under the Premier Division to be offered promotion to the league above assuming the following:
1. The club has fulfilled all criteria (see Appendix 1 and Appendix 2) for the division above during the current season of play. Promotion will not be offered on a promise of future action if the criteria are not fulfilled (Precautionary Principle).
  2. If a 2<sup>nd</sup> or lower XI, there is no team from the same club in the division above.
  3. If a 2<sup>nd</sup> or lower XI they will not be promoted higher than Division 2
  4. The club involved wants their team promoted.
- d. Should any of 3.b not apply, the relevant team will not be promoted and the next highest placed side in the division that fulfils the above will be offered promotion.
- e. No team that finished 5th or lower in the division will be offered promotion
- f. Should only 1 team fulfil promotion criteria, then only the bottom team from the division above will be relegated.

- g. Should no teams finishing in the top 4 fulfil the criteria for promotion, then the CMC will have the discretion to promote a team that finished 5th or lower (assuming promotion criteria are fulfilled), not relegate any team from the above division or make any other arrangement they see fit to retain the structure and integrity of the leagues.
- h. Should a team be relegated into a division that contains a team from the same club, the lower team will also be relegated to the division below that and replaced by the highest club in that division that meets the relevant promotion criteria for the higher division. In this instance, should no club meet the promotion criteria, the CMC will have discretion to promote another team, not relegate a team or make any other arrangement they see fit to retain the structure and integrity of the leagues.
- i. The Premier Reserve League (PRL) will be retained as a separate league, although there will be relegation of the bottom two teams in the PRL to be replaced by the 2 highest placed 2nd XIs in the leagues, regardless of their position. The team finishing second bottom of the PRL will take the place in the leagues of the highest placed promoted team and the team finishing bottom of the PRL will take the place in the leagues of the second highest finisher.
- j. Should either or both of the teams promoted to the PRL have finished in either promotion or relegation places in the leagues, the team replacing them from the PRL will be promoted or relegated in lieu of that team assuming they fulfil the criteria outlined above.

#### 4. DIVISION PLACINGS

- a. Division positions shall be determined by expressing the points awarded as a percentage of the maximum result points available in all completed matches.
- b. In the event that more than one Team have an identical percentage – their positions shall be determined by net run rate in all completed matches (“NRR”).
- c. If this fails to separate the Teams their positions shall be determined by the net run rate in matches between the tying clubs (“NRR”).
- d. If this fails to separate the Teams then the CMC will arrange for the Teams to compete against each other in order that a decision is reached, but only if this is required to establish the winners of the Division and promotion or relegation positions in the Division.
- e. A Team's net run rate (NRR) is calculated by deducting from the average runs per over scored by that Team, the average runs per over scored against that Team.
- f. In the event of a Team being all out in less than its full quota of overs, the calculation of the NRR of both Teams shall be based on the full quota of overs to which the batting Team would have been entitled and not on the number of overs in which the Team was dismissed.

#### 5. PLAYER CATEGORIES

For a player to be registered to play in a WDCU match, he/she must fulfil the requirements of one (or more) of the following categories. ‘WDCU match’ applies to all matches in WDCU competitions. Playing an ineligible player may result in penalties being applied as outlined in Rule 11.

- Scottish Qualified Player
- Resident Player
- Paid Player
- Paid Coach
- Overseas Amateur

The above categories are defined as follows:

- a. “Scottish Qualified Player” shall mean a player who
  - was born in Scotland or

- has a parent who was born in Scotland or
  - meets the residency criteria as stipulated in the current ICC Player eligibility regulations.
- b. “Resident Player” is a player who is resident and has been resident in the United Kingdom (UK) for at least 90 days out of the 120 days before any match.

Consideration may be given by the CMC to waive some or all of the requirements for a Resident Player in suitable cases where the player has moved to Scotland through work or study or marriage or other acceptable reason.

No player may play as a Resident Player or Overseas Amateur if he/she has been a Paid Player at any time in the 36 months preceding any match. However, in the spirit of encouraging participation and where it is clear that the player is no longer a Paid Player and has moved to Scotland as above, this provision may be waived if the permission of the CMC is obtained prior to such a player taking part in any match.

- c. “Paid Player” is a professional player who receives any of the following as a fee for playing, or as an inducement to play, or to facilitate their playing cricket:

- payment in cash or in kind;
- accommodation whether free, subsidised, or otherwise assisted;
- employment, whether full-time or part-time;
- payment in whole or in part, of fares to the United Kingdom from that player’s place of abode.

For the purposes of these Rules, the payment of reasonable travelling expenses is permitted without any player being deemed a Paid Player.

A Scots Qualified cricket coach is not deemed to be a Paid Player for a member Club unless he/she is paid directly or indirectly for playing cricket for that member Club.

Any payment made to a player by Cricket Scotland, or to a player contracted by Cricket Scotland for playing in a match organised by Cricket Scotland, will not render that player as a Paid Player.

Each Club may register and play only one Paid Player. Where a Paid Player is unable to play for whatever reason, e.g. injury, national call-up or termination of contract, the registration of a substitute Paid Player will require to be approved by the CMC.

A Paid Player must possess a UK Level 2 coaching certificate (or an acceptable overseas equivalent). There shall be no residency requirements for the one permitted Paid Player, but if sourced from out with the European Union, then UK Border Agency regulations must be satisfied. The responsibility for compliance with this rests wholly with Clubs. Clubs must also confirm in writing to the WDCU that these regulations have been satisfied.

- d. “Paid Coach ” is a professional coach who receives any of the following as a fee for coaching.

- payment in cash or in kind;
- accommodation whether free, subsidised, or otherwise assisted;
- employment, whether full-time or part-time;
- payment in whole or in part, of fares to the United Kingdom from that player’s place of abode.

A Scots Qualified cricket coach is not deemed to be a Paid Coach for a member Club.

Each Club may register one Paid Coach. Where a Paid Coach is unable to coach for whatever reason, e.g. injury, national call-up or termination of contract, the registration of a substitute Paid Coach requires to be approved by the CMC.

A Paid Coach must possess a UK Level 2 coaching certificate (or an acceptable overseas equivalent). There shall be no residency requirements for a Paid Coach but if sourced from out with the European Union, then UK Border Agency regulations must be satisfied. The responsibility for compliance with this rests wholly with Clubs. Clubs must also confirm in writing to the WDCU that these regulations have been satisfied.

A Paid Coach is permitted to play in cricket administered by WDCU as per the UK Border Agency guidelines.

**Clubs may only register either a Paid Player or a Paid Coach.**

- e. “Overseas Amateur” is a player who is less than 23 years of age on 31 August of any season in which he/she plays in the League. This category provides an opportunity for young players to come to Scotland from outside the UK to develop their cricket.

Each Club may register one Overseas Amateur. However, a second Overseas Amateur may be registered if a Club has no registered Paid Player or Paid Coach.

Where the original Overseas Amateur is unable to play for exceptional reasons acceptable to the CMC, the registration of a substitute Overseas Amateur may be approved by the CMC.

An Overseas Amateur must be registered and available to play by 30 June.

Assistance by Clubs: -

- i. Clubs must not provide financial assistance towards air fares.
- ii. Clubs may help an Overseas Amateur by providing accommodation with a member. The Club may also help in identifying suitable rented accommodation. The Club shall not contribute financially to either of the above.
- iii. Clubs may help in obtaining part or full-time employment for an Overseas Amateur. Work directly relating to the cricket Club or paid by the cricket Club shall not be permitted.
- iv. Clubs must, within the approved registration form, disclose full details relating to arrangements and payment for accommodation, airfares and employment. The CMC may request further information before considering the registration for approval.

**It is the responsibility of the club to ensure that all the information is accurate and that any Paid Player, Paid Coach and Overseas Amateur engaged fully meets the criteria set out in the Home Office Immigration rules for cricket, [and the Covid 19 guidelines and rules.](#)**

**6. PLAYER ELIGIBILITY**

- a. All players must be bona fide members of the Club for whom they play in the League. [Except as outlined in d. below](#)
- b. No Club may play more than one Paid Player or Paid Coach and one Overseas Amateur or, if no Paid Player, or Paid Coach then no Club may play more than two Overseas Amateurs, one of whom must have a UK level 2 coaching qualification (or acceptable overseas equivalent).
- c. All players other than the Scottish Qualified Players, the Paid Player, the Paid Coach and the Overseas Amateur must be Resident Players.
- d. In order that the CMC may administer the Rules relating to player eligibility, all players must be registered before playing in any WDCU match. The CMC will provide Clubs with access to the PlayerReg™ system in which details of all players must be recorded. No player may play in any such match without approval being registered on the PlayerReg™ system. Player transfers between clubs, should be initiated by using the documents found in Appendix 4 – TR1 and TR2. [All clubs should make every effort to use Player reg for games. Clubs will be permitted to play other individuals e.g. senior or junior players from other clubs, former players and friends of players etc. to make up first teams in Division 3 and 4 and any second teams.](#)

These should be notified to WDCU within 48 hours of the fixture being completed. These players will be treated as temporary loan players and no transfer will be deemed to have occurred.

- e. No Club will be allowed to play their Paid Player, Paid Coach or Overseas Amateur until it has received confirmation from the CMC that all required documentation has been received and meets the requirements for registration.
- f. Details of players to be registered must be entered on PlayerReg™ no later than 12.00 noon on the Thursday ('48 hour' rule) prior to that player playing in his first match, and advised to the WDCU Administrator and PlayerReg™ Facilitator. While every effort will be made to deal expeditiously with such registrations, approval may be delayed in the event that additional information pertaining to the player's background is sought. The player in question may not play in a match until approval is granted by the CMC to the Club. **Except as outlined in d. above.**
- g. No player registered with a club in the WDCU can play for **any** other club in a competitive match during the same season without prior approval by the CMC. Any player doing so, and returning to play for their WDCU club would be deemed to be an ineligible player. **Excluding exception identified in d.**

There are a number of agreed exceptions to this including but not limited to:

- Local evening/weekend league matches provided that the player does not play for a different WDCU member club in these
  - University/college cricket where the player returns to play for their 'home' WDCU club
  - Womens and girls cricket
  - Junior cricket (subject to any WDJCU restrictions)
  - Representative cricket (e.g. Scottish Police, Scottish Universities)
- h. Transfer requests after 31<sup>st</sup> July, where a player has represented a Club already in the WDCU, are unlikely to be approved. Prior to a transfer being considered, the CMC will require a written statement from the Club for whom he/she wishes to play detailing the player's change of circumstances, together with a written statement from the previous Club confirming that they have no objection to the change of Club.
  - i. The CMC may require sight of the passport of non-UK passport holders.
  - j. Possession of a UK passport shall not of itself satisfy the requirements for any of the five playing categories and shall not give an automatic entitlement for a player who possesses such a passport to be registered to play in any WDCU match.
  - k. In any weekend, a player who has been selected to play in a higher Saturday League XI cannot play in a lower Saturday XI, where the fixtures are on the same day, for example due to a match cancellation, or on a different day, for example a Sunday due to fixture scheduling.

#### **7. PLAYER REGISTRATION** **Remain in place with the exception of 6d**

The WDCU PlayerReg™ requirements shall be observed / complied with in addition to the conditions herein. The CMC can exercise discretion in exceptional cases.

#### **8. TEAM SHEETS** **This should be complied with where possible. Sanctions will only be applied where a team is deemed to be breaking the spirit of the game by not doing so.**

All matches require both sides to supply, either on paper or electronically, a full and complete PlayerReg™ photographic Team sheet to all relevant parties before the toss. A copy must be supplied to the opposition Captain and another copy must be supplied to the Umpires. A copy of the Team sheet shall also be supplied to the CMC upon request.

A failure to provide a full and complete PlayerReg™ photographic Team sheet to all relevant parties before the toss will result in an automatic forfeiture of the match. Commencement of the match shall be deemed to mean acceptance of the Team sheet. Note that this does prevent the CMC taking action should any subsequent information indicate that false or inaccurate information has been provided.

Substitute fielders do not require to be listed on the Team sheet but must conform to the Laws of Cricket: Law 2

**9. COMPLAINTS**

- a. Any complaint by one Club against another Club must be notified to the CMC in writing within seven days of the event, otherwise they may be considered time-barred by the CMC.
- b. A complaint will not be time-barred if the Club making the complaint can demonstrate to the satisfaction of the CMC that (i) it could not reasonably have become aware of the event which is the subject of the complaint within seven days of the event occurring, and (ii) that the Club has made the complaint within seven days of becoming aware of the event.
- c. On receipt of the complaint the CMC will, where appropriate, as soon as practicable invite reports from all parties involved. Any such report which has been requested must be back in the CMC's hands within seven days of its letter requesting the report.
- d. Once all reports have been received, and once any additional information has been obtained, a meeting of the CMC will be convened, if appropriate, at the earliest opportunity to consider the matter. Any Club which is involved may be requested to attend.
- e. After the meeting the decision of the CMC will be communicated as soon as practicable to all parties involved. Any decision of the CMC can be subject to appeal to the WDCU Disciplinary & Appeals Committee.
- f. For the avoidance of doubt, this rule relates to complaints by one Club against another where the complaining Club seeks a remedy (such as, for example, an award of points) against the accused Club. Nothing in this rule shall disentitle the CMC from investigating any matter and, where appropriate, sanctioning a Club in default notwithstanding the fact the complaint by the complaining Club is time barred.

**10. DISCIPLINE**

All Clubs are expected to maintain a high standard of behaviour as laid down by the WDCU Code of Conduct which forms part of these Rules. Any Club or player found in breach of the Code may be liable to such action as deemed appropriate and necessary by the WDCU CMC or Disciplinary & Appeals Committee as appropriate. Any Club or player has the right of appeal to the WDCU Disciplinary & Appeals Committee as laid down in the WDCU Disciplinary Procedure.

**11. SANCTIONS**

- a. Subject to the specific procedures and penalties laid down in Appendix 3, If any member Club fails to comply with any of the provisions of these Rules [including the temporary alterations for 2021](#) then the CMC shall have the power to impose any sanction upon the Club including, without prejudice to the foregoing generality, any one or more of the following sanctions:
  - (i) to require the Club to carry out such remedial action as the CMC deems appropriate within such time limit as to the CMC shall seem reasonable in all the circumstances;
  - (ii) to order that the Club be deducted points whether for the current season or for the following season;
  - (iii) to suspend Clubs from competitions.
  - (iv) to disqualify the Club from membership of the League

For the avoidance of doubt, the CMC may suspend the operation of a sanction or part of a sanction for such time as it shall consider appropriate to afford the Club an opportunity of securing compliance with the particular rule which has been breached.

**b. Disqualification of Clubs**

The following shall apply where a Club is disqualified under Rule 11.a(iii):

i. If any Club is disqualified under Rule 11.a(iii) during the course of a season all results in all League matches in which the disqualified Club participated in that season shall be declared null and void; ii. If any Club is disqualified under Rule 11.1(c) after the end of a season, then the following shall apply:

- (a) all results from all League matches in which the disqualified Club participated in that season shall continue to apply for all purposes (subject to paragraph (ii) below) notwithstanding that Club's subsequent disqualification; and
- (b) the disqualified Club (or Clubs as the case may be) shall, for the purposes of relegation, be deemed to finish in the last place (or the last places as the case may be) of the Division in which the disqualified Club played in that season.

**c. Right of Appeal**

Any Club which is sanctioned in accordance with this rule may appeal to WDCU under the appeals procedure set up by them. Any Club submitting an appeal must also lodge a bond of £100 which will be retained by the WDCU if the appeal is found to be frivolous, and returned to the Club if the appeal is upheld or dismissed without prejudice. Any appeal must be made to the WDCU Administrator by email within 7 days of the notification being sent electronically to the Club.

**12. FIXTURES**

- a. The CMC, in conjunction with the Administrator, shall arrange fixtures for each [Division which may be subject to change either before or during the season, taking into account Covid 19 guidelines /rules.](#)
- b. If any Club finds that their ground is unavailable after the fixtures are issued they will be responsible for finding a suitable alternative venue, which must be acceptable to the CMC. [The CMC may assist clubs to find alternative grounds which should not be unreasonably refused.](#) If Clubs or the CMC are unable to find a suitable alternative venue, then [the game will be declared void.](#)
- c. If any Club finds that, within seven (7) days of any particular fixture, its ground is 'out of bounds' due to extenuating circumstances as agreed with the CMC, it may request permission to find a suitable alternative venue, which must be acceptable to the CMC. If that Club is unable to find a suitable alternative venue, then the match will be cancelled and declared null and void.
- d. No alteration to the fixtures so arranged shall be permitted other than with the prior consent of the CMC. [Alterations to fixtures will be permitted subject to both teams and the CMC agreeing and a minimum of one weeks notice provided to WDCU.](#)

**13. GROUND & FACILITIES REQUIREMENTS**

All Clubs are responsible for providing facilities, which comply with League standards as outlined in the Ground and Facilities Criteria Appendix (Appendix 1). Certain provisions are mandatory where noted.

Any League club who do not meet the requirements may be subject to sanctions as outlined in Rule 11.

**14. UMPIRES**

**a. Accommodation**

Ideally, there should be separate accommodation provided for the Umpires, of a similar standard to the players' dressing rooms. [Subject to Covid 19 guidelines /rules.](#)

**b. Equipment**

As noted in Appendix 1, Clubs must provide a properly matched set of adult sized stumps and bails in good condition. In addition, there should also be made available, spare stumps and bails in case of breakages, bowlers' markers and drying cloths.

**c. Umpires' Match Fees**

The rates to be paid for the Umpires' match fee will be intimated to Clubs by the CMC prior to the start of each season. In matches where only one umpire is available, that umpire will be paid one and a half times the agreed match fee.

**d. Travelling Expenses**

The rate per mile to be paid for the Umpires' travelling expenses will be intimated prior to the season and payments shall be directly to Umpires from the WDCU Treasurer.

**e. Payment**

The Umpire's fees for all matches should be split 50/50 between each team. Both the Home and Away Captain's should ascertain the fee to each umpire for their match fee as early as possible after the Umpires arrive at the ground. This fee should be paid to the Umpires at the tea interval, if not before. If a match has been called off for any reason the Umpires should be paid immediately upon such event. On no account should the Umpires have to seek payment from the home Club. The CMC reserves the right to impose sanctions on any Club that consistently fails to pay Umpires in good time.

**f. Umpires' Reports**

Before [leaving](#) the ground, the Umpires will advise the captain of a Team [or player if they](#) will be reported under [the current Code of Conduct](#) .

**15. SCORING**

- a. All member Clubs in the Premier and First Divisions must ensure that the score is completed competently for every 1<sup>st</sup> XI match in Saturday League Cricket.
- b. If a Team fails to provide a dedicated scorer, the Captain should nominate one of the Team to act as scorer. In this case, the nominated player would become the dedicated scorer and take no part in either innings of the match. In the absence of this occurring, sanctions will apply as outlined in Appendix 3.

**16. MATCH RETURNS**

- a. Returns will be made by the home Club using the prescribed scorecard submission form. In all cases, the form must be completed for every fixture where any play has taken place, and submitted, no later than midnight on the Monday immediately following matches.
- b. The home Club must provide summary details of a game immediately following its end or cancellation - and no later than 10pm on the day of the match for League matches, 11pm for all midweek matches - for updating the WDCU web-site. Such details will be provided to the person nominated by the CMC prior to the start of the season.
- c. Penalties will be imposed on any Club that fails to comply with either Rule 16 (a) or (b) above, as provided for in Rule 11 (f), unless these are demonstrably due to issues with the score submission system.
- d. ALL clubs should provide a fully completed Captains report, which has to be submitted no later than 10pm on the Monday following the Saturday league match. Failure to do so will result in a 5 point penalty being administered (2 points in Division 4). Clubs should also note that it is acceptable for the report to be completed by a responsible person on behalf of the club.

**17. MATCH CANCELLATIONS**

- a. Weather issues prior to match.
  - i. In the event of inclement weather in the week leading up to a League match causing damage to the pitch or its surrounds, the home side shall advise the visiting side as early as possible that the match may be in doubt. However, no game shall be called off until the morning of the match unless it is agreed by the CMC or by a member of the WOSACO Umpiring Panel that an earlier cancellation is correct.
  - ii. A responsible official of the home side shall, as early as possible on the morning of a match, check the state of the ground and the pitch. If it is clear that the prospects of play are unlikely, the home Club shall contact the visiting Team and advise accordingly in order that unnecessary travel expenditure may be avoided. In this context it should be remembered that the important point is not whether the pitch is playable at the time of inspection but whether play may be possible by the latest permitted starting time for the relevant division if it is possible, the home Club may call in a member of the WOSACO Umpiring Panel to give an independent assessment of the likelihood of play being possible.
  - iii. Should the visiting Team wish to travel, however, that will be their right. Under these circumstances the home Club must continue to take whatever steps are within its power to ensure the pitch is playable either through the use of covers, blankets or by spiking or any other method;
  - iv. The visiting Team should travel if there is the slightest chance of play so that any steps taken by the home Club to make the pitch playable might have the chance to take effect.
  - v. The Umpires appointed for the match must be kept informed by the home Club of all events as they unfold.
- b. Concessions
  - i. An away Team that concedes any match must do so more than three nights before the match is scheduled or may be required to reimburse the home Club for any fees payable for the use of the ground. Any club that incurs costs due to a late call off should approach the CMC in the first instance.

**18. LEAGUE ADMINISTRATION**

- a. Each member Club shall have a copy of these Rules available at its ground at each League match.
- b. These Rules may be amended at the discretion of the CMC. Amendments to the playing conditions for the following season may be proposed by participating Clubs at the end of season Forum, or in any case no later than 31<sup>st</sup> October. The CMC shall consider whether further consultation is appropriate for these, and if so determine the most appropriate method of consulting participating Clubs on such proposals.

## APPENDIX 1: GROUND & FACILITY REQUIREMENTS

### a. Match Requirements

Access to grounds and facilities must be available to visiting Clubs at least one hour before the scheduled start time [or as advised by the Cricket Scotland Covid 19 guidelines / rules.](#)

### b. Pitch & Square

All Clubs with team(s) in the Premier, Premier Reserve, First and Second Division must provide a grass playing square. This should consist of a minimum of 8 suitable pitches, unless prior approval for fewer than this is given by the CMC.

- i. Non-grass surfaces are not allowed unless express permission is requested of the CMC and granted, which shall only happen in special circumstances.
- ii. The square must be well maintained and in good condition. The pitch must be prepared to the highest standard possible and clearly distinguishable from the remainder of the square. The grass on the pitch shall be marked and rolled before play. Any holes or ruts on the square caused by previous matches must be levelled, filled and firmed before a subsequent match.
- iii. The pitch must be appropriate for matches of at least 100 overs duration. The bounce of the pitch should be true and predictable throughout the match, and should not produce excessive spin or movement off the seam. The pitch shall not be watered during the match.
- iv. Pitches reported as substandard by Umpires may be liable to examination by the CMC and Clubs responsible may be subject to sanctions as outlined in Rule 11.
- v. **APPENDIX 2: CLUB DEVELOPMENT CRITERIA** All suspended for season 2021

**WDCU JUNIOR DEVELOPMENT CRITERIA**

The WDCU Executive and Cricket Management Committees have developed and agreed the criteria noted below in respect of measuring and monitoring club junior development.

These criteria, together with ground and facilities requirements will be the determinants of the groupings ('pots') which clubs play in for Saturday league cricket.

The criteria seek to recognise the importance of inputs (junior coaching and club outreach) as well as outputs (junior match participation) in developing these criteria.

The criteria come under the following five headings:

1. **PLAN:** an approved demonstrable and measurable plan of what the club is doing to attract, retain and develop junior cricketers. This might be in the form of a single document, but may be a combination of material. It should be "demonstrable" and "measurable" - the WDCU can see what it involves and whether it is being carried out. In this context, "approved" means that the WDCU should – in partnership with Cricket Scotland's Participation team – assess each club's structure and conclude whether it's acceptable or not. Plan should typically cover no more than 3 years ahead.
2. **STRUCTURE:** this should cover both structure in an organisational sense, and a structure in a programme sense. The first measures the breadth and depth of the resources involved, the second is how these resources are being deployed, now and in future. "Organisationally" a club should be able to evidence it has a Junior Convenor, coach(is) and volunteer assistance, these persons being suitably qualified for the roles they carry out include evidencing PVG Scheme membership, coaching qualification, Child Protection training, First Aid etc. "Programme" mean there should be an annual plan of coaching and matches, as well as the outreach planning below. The two aspects clearly link in that it is very important that the programme looks achievable in the context of the organisational resources available.
3. **OUTREACH:** a club should be able to evidence development work in its community, either on its own, or in active partnership with others and/or third parties. We do not believe that this should be too prescriptive, but it should be proportionate to the club structure. There would be some minimum threshold in practice.
4. **ACCREDITATION:** each club should have at least one coach qualified beyond the lowest "Introductory" level, with appropriate PVG Scheme membership as noted. They should also be actively working with junior players. There are a considerable number of 'dormant' or under-utilised coaches in WDCU area.
5. **INTRODUCTORY ACTIVITY AND MATCH PLAY:**

**Premier Division:** Delivery of a minimum of two of three introductory programmes. All stars, Dynamos Cricket or Kwik cricket. Participation in WDJCU or equivalent junior leagues (taking account of geographical practicalities), in at least two designated age groups. One of the two teams must be a stand alone team and not combined with a team from another club. There should be no more than 2 concessions for each of the designated age group teams.

**First and Second Divisions :** Delivery of a minimum of one of three introductory programmes. All stars, Dynamos Cricket or Kwik cricket. Participation in WDJCU or equivalent junior leagues (taking account of geographical practicalities), in at least one designated age group. There should be no more than 2 concessions for each of the designated age group teams.

- Other combinations of activity and match play can be considered as acceptable on application

These criteria will be assessed annually using a standard template which will be issued to clubs. Where there is doubt over compliance with 1, 2 and/or 3 the WDCU can meet the club concerned and discuss the matter before reaching a formal determination. The oversight of this, **and determination of whether a club meets the requirements**, will sit with the CMC in consultation with other parties (WDJCU, CS among others) as the criteria would be linked to senior league participation.

Continuing the precedent set over number of years a club not meeting the minimum threshold cannot move into a 'higher' league structure (the 'precautionary principle' which has existed for a number of years), and a club already there would have a maximum of a season to retain its position if it was failing the criteria.

Non-compliance can result in a club being put "on probation" for a maximum of a season; being penalised by way of senior team points deduction; and/or removed from the top two divisions. The nature of the outcome would in part depend on how material the issue is, and whether there is evidence showing that a club has made reasonable endeavours under the first four criteria.
